Le Grand Méchant Renard Benjamin Renner (Text)

Face à un lapin idiot, un cochon jardinier, un chien paresseux et une poule caractérielle, un renard chétif tente de trouver sa place en tant que grand prédateur. Devant l'absence d'efficacité de ses méthodes, il développe une nouvelle stratégie. Sa solution : voler des oeufs, élever les poussins, les effrayer et les croquer. Mais le plan tourne au vinaigre lorsque le renard se découvre un instinct maternel.

Anna says

Enamorada del dibuix. La "típica i tòpica" història de la guineu que es vol menjar les gallines, explicada de manera atípica. Deliciós, actualitzat i una mica gamberret. Llegiu-lo o llegiu-lo als vostres nanos.

Calista says

Original is in French and now it's in English. Everyone should be scared of the Fox and yet he gets no respect. A wolf encourages him to steal some eggs and hatch them and then he will have a bigger meal when the chicks are bigger. He does and he becomes their momma. The story is about the chicks who all think they are foxes and they like to play they are eating chicks.

There is a lot of funny stuff in this story. The art is only in service to the story. It is not thrilling. The fox simply wanted a decent meal. Is that so much to ask? I love the ending of this story and I think the twists are pretty good. It's a little different story and I like that.

All I have to say is don't mess with the chickens.

The Big Bad Fox

By: Benjamin Renner

In Benjamin Renner's *The Big Bad Fox*, the fox aspires to be a "big and bad" predator. Despite his best efforts, Fox is anything but "big and bad." His attempts to capture a farmyard chicken are always thwarted, and he is reduced to eating turnips. After several comical blunders, a local wolf helps Fox hatch a plan to steal three eggs and raise them to be plump juicy chickens. Then, Wolf, who is tired of eating rodents, and Fox will have a feast. Fortunately, Fox has a change of heart when the chicks call him "mommy."

Unfortunately, his change of heart pits both Wolf and the farmyard chickens against him.

Benjamin Renner's illustrations are rich with humor, detail, and emotion. The use of water color offers an accessible and seldom-seen approach to graphic novel art. The farmyard characters and comedic situations are reminiscent of Looney Tunes, minus the excessive slapstick violence. The final result is a hysterical and heart-felt story that will appeal to adults, kids, and reluctant readers alike.

Cecilia says

Supersöt och rolig! Älskar berättelsen om den Stygga räven som tar sig an tre kycklingägg och uppfostrar dem. ^^

Lola says

What darling characters.

The Big Bad Fox is especially adorable. You see, he thinks he's scary, but no one—not the pig, dog or hen—is afraid of him. He tries hard to be terrifying in the eyes of others, unsuccessfully.

He even takes advice from his friend, the Big Bad Wolf, but nothing works. One day he manages to steal three eggs with the help of the wolf, though the moment the three chicks hatch, he becomes their mommy.

It is so, so cute. Of course, not one of the three chicks believes the Big Bad Fox is big nor bad for that manner. Actually, he pretends he doesn't care about them, but he does. He does more than anyone and protects them at all costs. Now, would someone big and bad do that?

I was charmed by this story. Seeing the fox act like a mommy warmed my heart. And the chicks mimicking a fox was priceless. For someone who never expected to have to take care of three little beings, he is doing not that bad of a job, surprisingly. It made me smile about a hundred times.

I'm not sure there will be a second book, but if there ever is, I will jump on it, because I can't imagine not wanting to read more about this strange, but sweet, family.

Hymaya says

Une BD très sympa qui plaira au plus grand nombre je pense.

Le dessin me plait beaucoup, c'est coloré et les personnages sont très expressifs. Le scénario n'est pas des plus original, mais l'histoire reste très agréable à suivre et c'est bourré d'humour!

Mon perso préféré, le chien "de garde", hem, hem!

prettybooks says

20/20

Quelle réussite! J'ai rigolé comme rarement en lisant une BD, et surtout de façon continue page après page. C'est tellement marrant, les dessins sont vraiment excellents et contribuent à rendre cette histoire encore plus drôle qu'elle ne l'est déjà. Une BD qui plaira aux grands comme aux petits, filles ou garçons : c'est le cadeau parfait à offrir.

Dolly says

This is a sweet story about a hungry fox who becomes the adoptive mother to three chicks. The story is very comical with the narrative comprised entirely of dialogue. And the watercolor illustrations are hilarious, with as many as nine small frameless images on each page.

Overall, it's an entertaining story and I love that the book has a strong cast of female characters who don't put up with nonsense.

FangirlNation says

While *The Big Bad Fox* was likely written for an older audience, it met with the enthusiastic approval of my five-year-old son. I first read it to myself and found it an entertaining book, and then several days later my son asked me to read it aloud to him. He sat enthralled as I read it from cover to cover.

First Second Books says

In this sweet barnyard adventure, an incompetent fox tries unsuccessfully to terrorize chickens, and instead becomes the "mommy" of three adopted chicks. With its beautifully rendered in watercolor, *The Big Bad Fox* is a hilarious and surprisingly tender parable about parenthood that's sure to be a hit with new parents (and their kids too).

Metin Y?lmaz says

Bu bir seri olmal? ve devam etmeli bitmeden. Son zamanlarda bir çizgi romanda bu kadar gülmemi?tim. Hem çok e?lenceli hem çizgiler çok iyi hem de hikaye çok güzel. K?sacas? her aç?dan çok iyi bir çizgi roman. Mutlaka al?n ve okuyun.

Charlotte B. says

Une vraie pépite !! C'est HYPER drôle, j'ai vraiment éclaté de rire à de nombreuses reprises, et c'est aussi super mignon et émouvant, bref un combo gagnant pour une BD sans la moindre fausse note. À garder sous la main en cas de coup de mou, effet euphorisant garanti !
