Bradleya says

Together for Life was an enriching read to help me prepare for our wedding and marriage in communion with the Catholic Church. This work laid out the parts of the Catholic marriage rite with options and explanations for readings, prayers, rituals, and more. I believe it deepened my understanding of God's holy and beautiful plan for marriage and salvation. I recommend Together for Life for those preparing for marriage in the Catholic Church and anyone in order to learn more about Holy Matrimony.
