### Devils' Line Vol. 8 Ryo Hanada

Anzai wakes up to find himself in the devil treatment floor of a hospital. While Anzai was unconscious he dreamt of his childhood at ONLO, and may have recalled a blocked memory involving both a young Kikuhara and his real father. As a result of the incident on the roof, the brass at the MPD have insisted that Tsukasa and Anzai be temporarily separated. Back full-time at school, Tsukasa makes an important discovery that will affect her future...

### Cassie Fischer says

Mostly felt like a filler but still good and we finally got some answers. can't wait for next volume!

### Jenna Ballek says

This was probably one of the best volumes so far. It was getting a little boring, some of the volumes before felt like filler, but it felt as if everything led up to this point and it was really good. I'm so excited for the next one!

### Cornerofmadness says

Another interesting volume. The first third is a dream-memory of Kikuhara's first meeting with Anzai which is more chilling than expected.

Once Anzai wakes up the hospital he and Tsukasa have to deal with the fact that she forced him to bite her in order to save his life last volume, not to mention dealing with the fall out from the trap the CCC had set.

The rest of the volume deals with that and the fall out is severe, leading to a lot of angst. Worse, Tsukasa is floundering in what she wants her career to be. Her love for Anzai is translating to a deep curiosity about the Devils. However, the CCC's trap had the desired effect. Anti-devil protests are at an all time high and getting more violent by the moment.

And then Tsukasa meets Anzai's mother.

I have to say the story is taking a darker turn into the effects of hate and prejudice and in general I read to avoid the ugliness of the real world. That said, I still like these characters and plan to continue. I can't see where this is going and in this case, I like that mystery.

### B. Jean says

This one was definitely slower than the other books in the series. It was by no means bad, but less action and more behind-the-scenes sort of stuff.
