### Lie With Me (Lust in Translation) Cara Summers

Corfu's exotic beaches are a matchless place to meet true love...or at least to have a fabulous fling And that's exactly what Philly Angelis needs. After all, she's a survivor of unrequited love...and an embarrassingly rejected sexual proposition. Fleeing to Greece to soak in its sexy magic--as well as to find a hot guy to take her mind off her longtime crush, Roman Oliver--seems the perfect antidote.Roman can't believe what he's doing. Philly is his best friend's little sister--definitely hands-off So why is he following her to Corfu? And why is he taking her outrageously delicious sexual proposition seriously? Maybe because Philly's all woman now--a woman who knows exactly what she wants. And, God help him, Roman's going to give it to her....

## **From Reader Review Lie With Me (Lust in Translation) for online ebook**

### **Alexis-Morgan Roark says**

The psychic cat thing didn't do it for me. It seemed to drag in some places as well. I don't know. It had the potential to be more.

---

### **Angela says**

Could not get past the fact that she 'talked' to animals.

---

### **Nikki says**

My first time reading Cara Summers and I really enjoyed it. This book was HOT!!!

---

### **Nicole says**

The switch back and forth from 1st person POV with Philly and then 3rd person within the chapters totally threw me off.

The book itself was good, and I liked the supporting characters a lot, but I definitely struggled getting through it.

---

### **Rob says**

The only reason this read got 2 stars was the sexual chemistry between the main characters, the whole psychic "I need to talk to the cat" premise seemed endless, as well as the mystery needing to be solved...I was completely bored
